

Algonac *WAVE*

SKATE PARK REMODEL

The Smith Field Skate Park is being repaired and painted. Look for some cool new art work to be added to the park!

GET READY ALGONAC!

KaBOOM!, the national non-profit dedicated to giving kids the childhood they deserve through play, and the *Built to Play Initiative*, supported by the Ralph C. Wilson, Jr. Foundation, are helping us to bring a new, playful installation to Algonac! Through the community-driven design competition, we have received an award to design a Play Everywhere project called *Riverfront RockOut*. In the near future Algonac will be installing outdoor musical instruments in Riverfront Park!
